Hi, Dan:

See Downey's email below. With thanks to Josh for drafting, attached is a doc pursuant to Downey's request. We thought maybe you'd want to take a look before we sent it her way. We're happy to send it along once you're comfortable.

thanks!

Hi guys-

We will need to make publically releasable one-page fact sheets based on the new units- covering objects included- as we still have a story to tell on continuing protection. This can likely largely be done off of the proclamations which is why I think this should probably be started in SOL and then have BLM UT fact check/add. Brian, Josh has been working directly with the state so I think that should continue. I know its almost Thanksgiving but the week after is going to fly by so would really appreciate a draft by Wednesday. That way I can tweak and have time to run back through you all. Let me know I can assist.

Separately I will be working on fact sheets with more of the narrative, but will (b) (5) - ACP

Thanks. We are in the home stretch... for now!
